Fifth Regional Meeting on TB/HIV Collaborative Activities

Meeting Objectives

(San José, Costa Rica, 6–7 November 2008)

Objectives of the Meeting

1. Follow up on progress made in implementing TB/HIV collaborative activities in the countries and share experiences.
2. Share and discuss the most recent advances in TB/HIV, with emphasis on the “three I’s” (Intensified case-finding, Isoniazid preventive therapy, Infection control)

Objectives of the Meeting

3. Share experiences on TB/HIV collaboration.
4. Program TB/HIV implementation activities.
