

Early Registration Deadline Nears for IAMRA's 7th International Conference on Medical Regulation

The deadline for early registration discounts for the International Association of Medical Regulatory Authorities' [7th International Conference on Medical Regulation](#), "Medical Regulation: Global Issues – Shared Solutions," is **Sept. 15**. The Conference will be conducted in New Zealand Nov. 11-14, 2006. The biennial event draws hundreds of attendees from around the world and features an array of educational events and forums for medical regulators to share information and best practices in international medical regulation.

Among the many topics speakers will address during the four-day conference: international trends in medical regulation, the movement of doctors from country to country, global and emerging threats and ensuring cultural differences do not jeopardize effective medical interventions.

[Social events](#) include tours to various parts of New Zealand, including a trip to the locations where "Lord of the Rings" was filmed.
