

Area Manager, Technology & Health Services Delivery, Dr. Jose Luis Di Fabio, visited the Bahamas Ministry of Health with Dr. Minnis, MP, Minister of Health with Dr. Di Fabio

The objectives of this mission were:

- To provide an overview of the technical units in the Area of Technology & Health Services Delivery
- To initiate relevant discussions in relation to the creation of a regulatory framework for the Drugs, Medical Devices and Biologics
- To outline the next steps in relation to continuation of our technical cooperation activities as regards the above mentioned areas

The first item on Dr. Di Fabio's agenda was a courtesy call on the Ministry of Health officials. Accompanied by Dr. Minnis, MP, Minister of Health, Dr. Di Fabio met with the following officials:

Dr. Di Fabio and Dr. Merceline Dahl-Regis, Chief Medical Officer
