

# II<sup>nd</sup> International Workshop on TB Control in Prisons

(Lima, Peru, 18–20 August 2004)

## Agenda

**Conference Site:** Hotel Sol de Oro, Lima, Peru.

**Conference Language:** Spanish, with Spanish-English interpreters.

**Participants:** National TB Program and Prison Health Directors from the following Latin American and Caribbean countries:

Belize	Costa Rica	Guatemala	Mexico
Bolivia	Dominican Republic	Guyana	Nicaragua
Brazil	Ecuador	Haiti	Panama
Colombia	El Salvador	Honduras	Peru
			Venezuela

### Objectives

- Present, evaluate and discuss epidemiological data on TB in prisons in the Region.
- Assess the progress made by National TB Programs (NTPs) and prison health authorities towards applying the action plans for TB control in prisons (developed at the first international workshop).
- Promote collaboration between TB control programs and the prison sector throughout the Region.

### Expected Results

- Increase knowledge of officials dealing with TB and prison health of how to control TB in prisons.
- Evaluate progress made in TB control in prisons in the participating countries.
- Formulate 2004–2005 action plans for TB control in prisons in the participating countries.
