Glossary	11
Introduction	17
Logistics	31
MODULE I. ASSESSMENT	37
Module I Annex	57
Annex I-1. Identification of the General Nutrition Situation	59
Form I-1.1. Guide for the Identification of the General Nutrition Situation	61
Annex I-2. Consent and identification letter	63
Annex I-3. General Survey	64
Guidelines for completing the form for the General Survey (Form I-3.1)	68
Form I-3.1. Registration form for the General Survey	83
Annex I-4. 24-hour Dietary Recall	98
Guidelines for completing the registration form for the 24-hour Dietary Recall (Form I-4.1)	102
Form I-4.1. Registration form for the 24-hour Dietary Recall	112
Guidelines for office work	115
Appendix 1. List of Edible Portion of Foods	122

Appendix 2. List of Cooked to Raw Conversion Factors	123
Appendix 3. List of Weights and Measurements of Food and Preparations	125
Appendix 4. List of Abbreviations of Household Measurements	126
Appendix 5. List of Densities	127
Annex I-5. Market Survey	129
Guidelines for completing the registration form for the Market Survey (Form I-5.1)	133
Form I-5.1. Registration form for the Market Survey	135
Annex I-6. Definition of the Key Foods List	136
Form I-6.1. List of foods, frequency and seasonality	138
Form I-6.2. Matrix for the selection of key foods	139
Annex I-7. Opportunistic Observation	140
Guidelines for completing the registration form for the Opportunistic Observation (Form I-7.1)	143
Form I-7.1. Registration form for the Opportunistic Observation	146
Form I-7.2. Matrix for the summary of opportunistic observations	150
Annex I-8. Semi-structured Interview	151
Form I-8.1. Guide for the Semi-structured Interview	155
Form I-8.2. Matrix for the summary of the reasons for certain practices, and knowledge and attitudes toward the ideal practices, by mother	160
Form I-8.3. Matrix for the summary of the barriers and facilitators to the ideal Practices	161
Annex I-9. Food Attributes Exercise	162
Form I-9.1. Guide for the Food Attributes Exercise	166
Form I-9.2. Matrix for the consumption and attributes of key foods	167
Form I-9.3. Matrix for the summary of consumption, attributes and preparation of key foods	168
Annex I-10. Forms for data integration and analysis	169
Form I-10.1. Master matrix	169
Form I-10.2 Matrix of foods (optional)	170
Form I-10.3 Matrix of problem and recommended practices	171
Form I-10.4 Matrix for the impact, feasibility and observability analysis	172
Form I-10.5 Matrix for the summary of possible recommended practices	173

MODULE II. RECIPE CREATION EXERCISE AND TEST OF RECOMMENDATIONS (Tab 7)	175
Module II Annex	183
Annex II-1. Recipe Creation Exercise	184
Guidelines for completing the registration form for the Recipe Creation Exercise (Form II-1.1)	194
Form II-1.1. Registration form for the Recipe Creation Exercise	198
Form II-1.2. Matrix for the nutritional analysis of recipes.	203
Form II-1.3 Matrix for the acceptability and feasibility analysis of the recipes	204
Annex II-2. Test of Recommendations	205
Guidelines for completing the registration form for the initial visit (Form II-2.1)	218
Form II-2.1. Registration form for the initial visit	221
Guidelines for completing the registration form for the follow-up and final visits (Form II- 2.2)	223
Form II-2.2. Registration form for the follow-up and final visits	226
Example of a reminder of a recommendation	228
Form II-2.3. Matrix of motivations	229
Form II-2.4. Matrix of solutions	230
Form II-2.5. Matrix for the analysis of the Test of Recommendations	231
Form II-2.6. Matrix for the compliance and feasibility analysis of the recommendations tested	232
Annex II-3. Focus Groups	233
Form II-3.1. Registration form for the Focus Groups	239
Form II-3.2. Matrix for the analysis of the Focus Groups	242
Form II-4. Matrix of final list of recommendations to be promoted in an intervention	243

MODULE III. DESIGN OF THE INTERVENTION PLAN	245
Module III	261
Form III-1. Matrix for the research summary	262
Form III-2. Matrix to aid the definition of the objectives of a training session	263
Form III-3. Matrix to summarize the planning of the training session	264
MODULE IV. MONITORING AND EVALUATION	265
Module IV	278
Form IV-1. Monitoring and evaluation framework	279
Form IV-2. Monitoring information framework	280
Form IV-3. Matrix for monitoring and evaluating program activities	281
REFERENCES CONSULTED	283
