Provisional Agenda Item 4.5

SPBA6/11, Rev. 1 (Eng.)
28 February 2012
ORIGINAL: ENGLISH

AMENDMENTS TO THE PASB STAFF RULES AND REGULATIONS

1. The Staff Regulations of the Pan American Sanitary Bureau (PASB) may be supplemented or amended by the Directing Council or the Pan American Sanitary Conference of the Pan American Health Organization (PAHO) pursuant Staff Regulation 12.1.
2. In accordance with Staff Rule 020, the Staff Rules of the PASB may be amended by the Director, subject to confirmation by the Executive Committee of PAHO.
3. Accordingly, the Director will submit for confirmation to the 150th Session of the Executive Committee the amendments to the Staff Rules issued by the Director since the Committee's 148th Session (Annex A).
4. The amendments described in Section I of this document are based on decisions taken by the Sixty-sixth Session of the United Nations General Assembly (UNGA) in December 2011 (Resolution A/RES/66/235), which, in turn, are based on recommendations made by the International Civil Service Commission (ICSC).
5. The amendments described in Section II of this document are made in light of experience and in the interest of good human resources management.
6. As reported to the 50th Directing Council (Document CD50/INF/4), in 2009 the Director of the PASB mandated a comprehensive review of the Organization's Integrity and Conflict Management System (ICMS) to bring certain aspects of the ICMS, particularly PAHO's internal administration of justice system, in line with international best practices and reforms that are taking place throughout the United Nations system. As a result of this review, the Director of PASB has already implemented a number of changes to the formal administration of justice system in PAHO and may require

additional modifications to the PASB's Staff Rules which are not reflected herein. Should this be the case, such modifications will be presented to the 150th Session of the Executive Committee in June for consideration.

7. The financial implications of the amendments in the 2012–2013 biennium are negligible (approximately US\$ 65,000 per annum system wide).

SECTION I

Amendments to the Staff Rules Considered Necessary in light of Decisions Made at the Sixty-sixth Session of the United Nations General Assembly on the Basis of Recommendations of the ICSC

Remuneration of Professional and Higher Categories

8. The ICSC recommended to the UNGA that the current base/floor salary scale for the professional and higher categories be increased by 0.13% through the standard consolidation method of increasing base salary and commensurately reducing post adjustment multiplier points (i.e., on a no-loss/no-gain basis); the increase would take effect on 1 January 2012.

9. Amendments to Appendix 1 of the Staff Rules have been prepared accordingly and appear in Annex A of this document.

Salaries of Staff in Ungraded Posts and the Director's Salary

10. As a result of the change in salary for staff in the professional and higher-graded categories, a similar revision of the salaries for the posts of the Director, Deputy Director and Assistant Director also is required.

11. Using the same process of consolidating post adjustment multiplier points into the base salary on a no-loss/no-gain basis, the salaries for these three positions have been adjusted accordingly. According to Staff Rule 330.4, the Executive Committee will be asked to approve the resulting salary changes for the posts of Deputy Director and Assistant Director and to recommend to the 28th Pan American Sanitary Conference the applicable salary revision for the post of Director.

Reduction in Staff Assessment Rates

12. In order to address the surplus that had accumulated in the Tax Equalization Fund, the UNGA approved a reduction effective 1 January 2012 in staff assessment rates for gross base salaries for the professional and higher categories. This results in a 6.7%

reduction in gross salaries. The corresponding change to Staff Rule 330.1.1 is shown in Annex A of this document.

SECTION II

Amendments to the Staff Rules Considered Necessary in light of Experience and in the Interest of Good Human Resources Management

Within-grade Increase

13. Staff Rule 550.3 has been amended to clarify that linguistic staff (translators and editors) are eligible for the accelerated within-grade increase but only if they pass the language proficiency examination in an official language not required in their job descriptions.

Disciplinary Measures

14. Staff Rule 1110.1.1 has been amended to limit the retention of a written reprimand in a staff member's file to a five-year period, after which it will be removed from the staff member's personnel record.

15. New Staff Rule 1110.1.2 has been introduced to differentiate a written reprimand from a written censure. A censure is applicable in cases of more serious misconduct and is retained in the staff member's personnel file permanently.

16. New Staff Rule 1110.1.5 has been added to allow for the loss of one or more steps within grade as an alternative to reduction in grade (current Staff Rule 1110.1.4).

Suspension Pending Investigation

17. Staff Rule 1120 has been edited to make it more precise, and to clarify that a suspension continues until a final decision on the matter has been reached.

SECTION III

Action by the Subcommittee on Program, Budget, and Administration

18. In consideration of these amendments, the Subcommittee may wish to take note of the proposed resolution in Annex B which will be presented to the 150th Session of the Executive Committee.
