

WHO FRAMEWORK CONVENTION
ON TOBACCO CONTROL

The WHO Framework Convention on Tobacco Control is the world's only legally binding public health tool. It aims to save lives and improve health by preventing and controlling the use of tobacco products. Its 10th anniversary (2005-2015) marks a true public health milestone.

What has been accomplished by PAHO/WHO's 35 member countries in the Americas?

It's time to renew our commitment. It's time to do more.
A tobacco-free Americas is in our reach.
