### **NEW SCALE OF QUOTA CONTRIBUTIONS**

#### **Application of the Latest Approved OAS Scale of Assessments to PAHO Membership for the 2010-2011 Biennium**

1. This document is a follow-up to Document SPBA2/INF/1 presented in March 2008, which provided an update on the implementation process of a new assessment scale for PAHO membership based on changes to the OAS scale of assessments. That document reported that OAS, at its 34th Extraordinary Session held on 13 November 2007, approved a definitive scale of assessments for its membership, beginning in 2009, and that this scale would be used to adopt a new PAHO scale of assessments beginning with the 2010-2011 biennium.

2. In accordance with Resolution CE140.R5, adopted at the 140th Session of PAHO's Executive Committee in June 2007, the Organization is committed to adopt a new scale of assessments for the bienniums following 2008-2009. The table attached to this document illustrates the changes between the previous OAS definitive scale (2006) and the recently approved OAS scale applicable to budget years 2009 through 2011. The table also illustrates the application of the new OAS scale to PAHO's membership.

#### **Action by the Subcommittee on Program, Budget, and Administration**

3. The Subcommittee is asked to review the proposed scale of assessments for PAHO Member States and to make recommendations to the Executive Committee accordingly.
