

WITNESS STATEMENT

In order for the Record to be valid, the participating schools will need to enclose a statement from the person who collaborated as witness, there should only be one witness per location. The witness will indicate his/her name and last name, the total number of participants that washed their hands correctly at that location, their address in case they need to be contacted to verify information, the time when the event started and their telephone number or e-mail address. The certificate can be handwritten or typed on a blank sheet of paper.

Below is an example of a witness statement. Please, use a separate sheet of paper to write your own statement. The witness can write it in its own words, or may adapt the text in the example below.
