Chronic Disease Prevention and Management  
Chronic Disease and Health Promotion  
World Health Organization  
Geneva, Switzerland**

# Global NCD Action Plan 2008-2013

Approved by 193 Member States in May 2008

# Six Objectives of the Global NCD Action Plan

1. Integrating NCD prevention into the development agenda
2. Establishing/strengthening national policies and programmes
3. Reducing/preventing risk factors
4. Promote research for NCD prevention and control
5. Strengthening partnerships
6. Monitoring NCD trends and assessing progress made at country level

Under each of the 6 objectives, there are sets of actions for member states, for WHO and for international partners.

# Global NCD Action Plan 2008-2013
