It’s our best shot!

Vaccinate today, live tomorrow.

“The vaccine is very good for our community and for our family to keep them healthy. When I got the vaccine I felt so happy.”

Joseph Gaitan

Choose the facts, choose life.

1. Take all the recommended doses to ensure vaccine efficacy
2. People with medical conditions are more likely to develop severe illness from COVID-19
WHO approved COVID-19 vaccines only contain safe ingredients

COVID-19 vaccines are halal
COVID-19 vaccines protect against serious illness and death
All medicines, including vaccines have possible side effects that are often mild to moderate

Vaccinated or not, continue to wash hands, wear masks and keep social distance.
