NOTES:

- The prices published reflect the price of the product and for budgeting purposes PAHO suggests Member States add an additional 20-25% to reflect the costs of shipping, insurance, 2.50% contribution to the SF capital account and the 1.75% PAHO fee.
- This product may be subject to local restrictions, in order to commercialize or distribution.
- Medicines not included in this list, can be purchase individually upon request by Member States. Prices and lead-time will depend on the product availability at the time of the request.
- Questions should be directed to strategicfund@paho.org. For further information on the PAHO Strategic Fund please visits www.paho.org/strategicfund.

NOTAS:

- Los precios publicados reflejan solamente el precio del producto y para fines presupuestarios la OPS sugiere a los Estados Miembros agregar un 20-25% sobre el precio del producto para reflejar los costos de flete, seguro, contribución del 2.50% a la cuenta de capitalización del FE y los gastos de administrativos de la OPS de 1,75%.
- El producto pueden estar sujeto restricciones locales para su comercialización o distribución en los países.
- Los productos no incluidos en esta lista, podrán ser adquiridos a solicitud individual por el Estados Miembro. Los precios y tiempos de entrega dependerán de la disponibilidad del producto al momento de la solicitud.
- Cualquier pregunta adicional puede ser dirigida al fondoestrategico@paho.org. Para más información sobre el Fondo Estratégico de la OPS sírvase visitar a www.paho.org/fondoestrategico.
