AMENDMENTS TO THE PASB STAFF RULES AND REGULATIONS

1. The Staff Regulations of the Pan American Sanitary Bureau (PASB) may be supplemented or amended by the Directing Council or the Pan American Sanitary Conference of the Pan American Health Organization (PAHO) pursuant to Staff Regulation 12.1.

2. In accordance with Staff Rule 020, the Staff Rules of the PASB may be amended by the Director, subject to confirmation by the Executive Committee of PAHO.

3. Accordingly, the Director will submit for confirmation to the 150th Session of the Executive Committee the amendments to the Staff Rules issued by the Director since the Committee’s 148th Session (Annex A).

4. The amendments described in Section I of this document are based on decisions taken by the Sixty-sixth Session of the United Nations General Assembly (UNGA) in December 2011 (Resolution A/RES/66/235), which, in turn, are based on recommendations made by the International Civil Service Commission (ICSC).

5. The amendments described in Section II of this document are made in light of experience and in the interest of good human resources management.

6. Section III of this document contains a proposed amendment to Staff Regulation 3.1, to be submitted to the Pan American Sanitary Conference for approval in accordance with Staff Regulation 12.1. This amendment is proposed for consistency and in order to reduce the number of administrative matters presented to the Directing Council or Pan American Sanitary Conference for approval.

7. The financial implications of the amendments in the 2012–2013 biennium are negligible (approximately US$ 65,000 per annum system wide).
SECTION I

Amendments to the Staff Rules Considered Necessary in light of Decisions Made at the Sixty-sixth Session of the United Nations General Assembly on the Basis of Recommendations of the ICSC

Remuneration of Professional and Higher Categories

8. The ICSC recommended to the UNGA that the current base/floor salary scale for the professional and higher categories be increased by 0.13% through the standard consolidation method of increasing base salary and commensurately reducing post adjustment multiplier points (that is, on a no-loss/no-gain basis); the increase would take effect on 1 January 2012.

9. Amendments to Appendix 1 of the Staff Rules have been prepared accordingly and appear in Annex A of this document.

Salaries of Staff in Ungraded Posts and the Director’s Salary

10. As a result of the change in salary for staff in the professional and higher-graded categories, a similar revision of the salaries for the posts of the Director, Deputy Director and Assistant Director also is required.

11. Using the same process of consolidating post adjustment multiplier points into the base salary on a no-loss/no-gain basis, the salaries for these three positions have been adjusted accordingly. According to Staff Rule 330.4, the Executive Committee will be asked to approve the resulting salary changes for the posts of Deputy Director and Assistant Director and to recommend to the 28th Pan American Sanitary Conference the applicable salary revision for the post of Director.

Reduction in Staff Assessment Rates

12. In order to address the surplus that had accumulated in the Tax Equalization Fund, the UNGA approved a reduction effective 1 January 2012 in staff assessment rates for gross base salaries for the professional and higher categories. This results in a 6.7% reduction in gross salaries. The corresponding change to Staff Rule 330.1.1 is shown in Annex A of this document.
SECTION II

Amendments to the Staff Rules Considered Necessary in light of Experience and in the Interest of Good Human Resources Management

Within-grade Increase

13. Staff Rule 550.3 has been amended to clarify that linguistic staff (translators and editors) are eligible for the accelerated within-grade increase but only if they pass the language proficiency examination in an official language not required in their job descriptions.

Disciplinary Measures

14. Staff Rule 1110.1.1 has been amended to limit the retention of a written reprimand in a staff member’s file to a five-year period, after which it will be removed from the staff member’s personnel record.

15. New Staff Rule 1110.1.2 has been introduced to differentiate a written reprimand from a written censure. A censure is applicable in cases of more serious misconduct and is retained in the staff member’s personnel file permanently.

16. New Staff Rule 1110.1.5 has been added to allow for the loss of one or more steps within grade as an alternative to reduction in grade (current Staff Rule 1110.1.4).

Suspension Pending Investigation

17. Staff Rule 1120 has been edited to make it more precise, and to clarify that a suspension continues until a final decision on the matter has been reached.

SECTION III

Amendments to the Staff Regulations Considered Necessary in light of Experience and in the Interest of Streamlined Procedures

Salaries and Related Allowances

18. As evidenced above at Section I, adjustments to the salaries of PAHO professional staff—including the Director, Deputy Director and Assistant Director—are generally proposed annually as a result of decisions taken by the United Nations General Assembly and in the interest of maintaining consistency with the Common System schedule of salaries. Currently, the Executive Committee approves proposed adjustments to the salaries of the Deputy Director and Assistant Director and confirms adjustments
made by the Director to the salaries of all other professional staff. Pursuant to Staff Rule 330.4, however, the Directing Council or Pan American Sanitary Conference must currently approve any adjustment to the salary of the Director.

19. In order to simplify the administrative process related to the adjustment of professional salaries due to decisions taken by the United Nations General Assembly, it is proposed that Staff Regulation 3.1 be amended to provide that the salary of the Director is also approved by the Executive Committee (Annex B).

SECTION IV

Action by the Executive Committee

20. The Executive Committee is requested to review the Amendments to the PASB Staff Rules and Regulations contained in the present document, and consider approval of the proposed resolution attached as Annex C.
