

VII Conference of the Pan American Network for Drug Regulatory Harmonization

AGENDA

Parallel session on Pharmacovigilance and patient safety

6 September 2013, Delta Ottawa City Centre, Ottawa, Canada

Objectives:

1. Raise awareness about the strengths, weaknesses and challenges of monitoring the safe use of medicines through the pharmacovigilance systems in the Region.
2. Confirm or propose changes to the objectives and lines of action of the PANDRH working group within the new Strategic plan.
3. Define additional priorities in the way forward.
