

STRENGTHENING THE HEALTH SYSTEM TO ADDRESS VIOLENCE AGAINST WOMEN:

TRAINING OF TRAINERS FOR HEALTH CARE PROVIDERS

Montego Bay, Jamaica
28-31 May, 2019

Welcome note

Dear colleague,

We are so happy that you are here!

Thank you very much for making time in your busy schedules to spend these four days together as we share and learn from one another with a single goal in mind: ending violence against women and girls.

We hope that you will have a chance to see old friends and make new ones and that you leave this workshop feeling energized and ready to help us improve the lives of women and girls in the Caribbean and around the world.

If, along these four days, you have any suggestions (big or small) that you feel would make the workshop even better, please do not hesitate to reach out to any of us so that we can, jointly, make this a great learning experience for everyone.

We look forward to learning from you and with you.

Warm wishes,
