Process of acquiring products for maternal and neonatal health through Regional Revolving Funds

1

Proposal dissemination

Next is the list of interventions prioritized by PAHO, which have been proven to be the most effective at reducing mortality and are part of the Regional Revolving Funds portfolio for maternal and neonatal health.

2

Country focal points identification

Planning + Acquisition

3

Demand Consolidation

Through the Member States Portal, in the dedicated planning module, you can express interest in the various products.

4

Tender beginning

Once the regional demand is consolidated, the bidding processes for the products will begin based on it.

5

Products available for procurement

After the bidding process is completed, the products will be available for request through the Funds.

Recommended Products Catalogue

Neonatal health: medical equipment

Control	Blood pressure measuring device, automated device - type 1, with accessories
	Light, examination, mobile, with accessories
	Measuring board, portable infant/child length/height
	Scale, beamtype, infant, 16kgx10g ¹
	Scale, electronic, infant, 10kgx5g ¹
	Stethoscope, foetal, monaural ¹
	Stethoscope, neonatal, binaural ¹
	Stethoscope, pediatric, binaural ¹
	Thermometer, clinical, digital 32-43 °C ¹
	Transcutaneous bilirubin measurement system for infants
Screening / Monitoring	Analyzer, blood gas
	Blood glucometer, with accessories
	Hemoglobinometer, with accessories
	Bilirubinometer
	Apnoea monitor
	Auditory, function screening devices, newborn
	Fetal heart rate (FHR) detector, Doppler
	Ophthalmoscope, set ¹
	Otoscope, set
	Pulse oximeter, neonatal, portable, with accessories
	Ultrasound, mobile
Treatment	Phototherapy unit, mobile, with accessories
	Breastpump, manual, with accessories
	Continuous Positive Airway Pressure (CPAP) system, with accessories
	Ventilator medical, child/newborn, transport, with accessories
	Ventilator using continuous positive airway pressure
	Manual resuscitator, newborn (Ambu)
	Incubator, newborn, automatic, basic, with accessories
	Incubator, newborn, transport, with accessories
	Infant warmer, for newborns (heating pad or sleeping bag)
	Manual resuscitator, neonatal
	Laryngoscope, neonatal

¹ After consolidating the responses and demands of the countries, the cost-effectiveness of incorporating these products into the Regional Revolving Funds will be evaluated, and the international purchase of them will be carried out.

Neonatal health: medical equipment

Others	Umbilical clamp, sterile, single use ¹
	Bracelet, identification (Sizes*) ¹
	Newborn simulator for resuscitation training
	Prongs, nasal, oxygen, non sterile, single use (Sizes*)
	Reusable neonatal suction device

Neonatal health: medicines

Treatment	Cefotaxime 250 mg, powder for injection
	Cefotaxime 1 g, powder for injection
	Cefotaxime 500 mg; 2 g (as sodium) in vial, powder for injection:
	Gentamicin 40 mg/ml, Solution for injection, 2 ml ampoule
	Surfactant 25 mg/ml, suspension for intratracheal instillation, 8 ml vial
	Surfactant 80 mg/ml, suspension for intratracheal instillation, 1.2 ml vial, vial 3 ml
	Tetracycline 1% eye ointment
	Amikacin 250 mg/ml, solution for injection, 2 ml ampoule
	Ampicillin 500 mg, powder for injection
	Benzathine benzylpenicillin 1.2 M IU, powder for injection / suspension for inj.
	Benzathine benzylpenicillin 2.4 M IU, powder for injection
	Benzylpenicillin 1 M IU, powder for injection
	Benzylpenicillin 5 M IU, powder for injection
	Ceftriaxone 250 mg, powder for injection
	Ceftriaxone 1 g, powder for injection
	Ceftriaxone 500 mg, powder for injection
	Ceftriaxone 2 g, powder for injection
	Rifampicin + isoniazid + pyrazinamide 75 mg + 50 mg + 150 mg, tablet (dispersible)
	Meropenem 500 mg, Tablet
	Meropenem 1 g, Tablet
	Methylprednisolone 500 mg, powder for injection
	Methylprednisolone 1 g, powder for injection
	Methylprednisolone 40 mg/ml, injection

¹ After consolidating the responses and demands of the countries, the cost-effectiveness of incorporating these products into the Regional Revolving Funds will be evaluated, and the international purchase of them will be carried out.

Recommended Products Catalogue
