

JOIN US TO STRENGTHEN SOCIAL INNOVATION IN HEALTH IN THE CARIBBEAN!

Social innovation in health is a community-driven process focused on improving both health and social outcomes.

The Social Innovation in Health Initiative (SIHI) invites you to a special meeting to foster collaboration and drive transformative solutions in health across the Caribbean.

WHY JOIN US?

- Engage social innovators from the Caribbean.
- Spur the knowledge networks and research ecosystem to advance social innovations for health.
- Promote training, exchanges, collaboration and resource mobilization.
- Contribute to the global network to deepen understanding of social innovations for health.

Join us on January 22, 2025 at 2:00 PM ET.
